## **COMMENTS**

**Mr. Schwartz** – Mr. Schwartz thanked the residents of Ward 1 for their support and confidence in him to serve them. He thanked former Councilman Mike Bohn for his help and Gary Catrambone for taking all the phone calls from him and being available to answer his questions. He thanked his family for the sacrifice they have made during the campaign and are going to make moving forward.

**Mrs. Kolodi** – Mrs. Kolodi thanked Mayor Paris and Councilman Catrambone. She stated that every year she tells her students that they need to be active citizens and do their part in this world. She felt that if she turned down this opportunity to run for Council it would be hypocritical. Her students are what made her decide to run. When they asked her to run, they put their faith and trust in her. In this new position, she will continue to look to the other members of Council for their support. She thanked her husband Bill for his support. She also thanked her mom and dad, her sister for being here today. They were the ones that taught her, by example, to care for others. She stated that her parents are the best people she knows. Finally, she thanked the residents of Ward 3 for their support.

**Mr. Catrambone** – Mr. Catrambone stated that he is very proud of the new Council members. He thanked all the people here today that have helped them. He is proud to serve this community and can't wait to see what happens in 2011.

**Mr. Paris** – Mr. Paris thanked everyone for coming out today. He is very excited for our new Council members and to work with them. He stated that we have a lot to do and will be working hard.

**Mr. Moran** – Mr. Moran thanked everyone that came out today. He thanked Mrs. Kolodi and Mr. Schwartz for stepping up to serve this community. He stated that we will need to jump right into the budget and if there is any advice he can give is to spend some time with the Administrator Jeff Hatcher trying to understand the budget.

**Mr. Morrow** – Mr. Morrow thanked his family. He stated that they instilled in him to work hard and do the right thing and that is why he ran for Council. The past two years have been difficult economically but he feels we will do a great job. He thanked Congressman Adler for being here today and swearing him in today. He stated that it is an honor and a privilege to serve.
