**ORDINANCE OF THE TOWNSHIP OF DELRAN ESTABLISHING CHAPTER  
84 OF THE CODE OF THE TOWNSHIP OF DELRAN, ENTITLED  
“BACKGROUND CHECKS”**

**WHEREAS**, the Township Council finds that it is important to provide for the safety of minors engaged in youth activities in the Township of Delran; and

**WHEREAS**, the Township Council finds it is necessary to take steps to provide for the reasonable assurance that employees and volunteers for youth programs have been subject to a criminal history record background check; and

**WHEREAS**, the Township Council has concluded that the Code of the Township of Delran needs to be amended by creating a chapter that outlines procedures and guidelines for the implementation of criminal history record background checks; and

**WHEREAS**, pursuant to N.J.S.A. 40:48-2, the Governing Body is authorized to enact and amend ordinances as deemed necessary and proper for the good government, order and protection of persons and property, and for the preservation of the public health, safety and welfare of the Township and as may be necessary to carry into effect the powers and duties conferred and imposed upon the Township by law.

**NOW THEREFORE BE IT ORDAINED**, by the Township Council of Delran Township as follows:

**SECTION 1:** The Code of the Township of Delran is hereby amended, revised, and/or supplemented with the establishment of Chapter 84, entitled “Background Checks,” to read as follows:

## CHAPTER 84

### BACKGROUND CHECKS

#### § 84-1. Purpose.

The purpose of this chapter is to provide for the safety of children engaged in youth programs by taking steps to provide for the reasonable assurance that employees and volunteers for youth programs have been subject to an arrest and criminal history record background check and obtaining certifications from potential employees and volunteers regarding relevant aspects of their employment history.

#### § 84-2. Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

**CRIMINAL HISTORY RECORD AND FINGERPRINT BACKGROUND CHECK** — A determination of whether a person has an arrest and/or criminal record by cross-referencing that person's name and/or fingerprints with those on file with the Federal Bureau of Investigation, Identification Division, the New Jersey State Bureau of Identification in the Division of State Police, and/or other agencies.

**YOUTH PROGRAM** — Any organized program with participants that are under the age of 18 that are sponsored by the Township of Delran; receive Township funding for their programs and/or services; or utilize municipal facilities including buildings and/or fields of play on a regular or recurring basis.

**NON-SPONSORED YOUTH PROGRAMS** — Any youth programs not sponsored by the Township of Delran, but that utilize municipal facilities or have affiliation with a township sponsored youth program and having contact with persons under the age of eighteen (18) years.

TOWNSHIP-SPONSORED YOUTH PROGRAMS — Any programs sponsored by the Township of Delran, including any and all leagues, boards and commissions falling within the purview of or acting for or on behalf of, the Township of Delran and having contact with persons under the age of eighteen (18) years.

**§ 84-3. Submission to background checks; certification; frequency; costs; interim approvals.**

A. All individuals seeking to be employed by or volunteer for youth programs, wherein they will be working directly with youth, shall be required to submit to mandatory criminal history record and fingerprint background checks, as defined above. This requirement shall apply to new employees or volunteers as well as existing employees or volunteers, and the requirement may not be waived by the youth program or any other entity. This process shall be administered by the Township Chief of Police or his/her designee, provided the designee is above the rank of patrolman. All youth programs that have individuals subject to this chapter shall direct those individuals to the Delran Township Police Department background check submission forms which shall be processed through the Police Department prior to the individual being able to participate in any youth program at a township-owned facility. Thereafter, every three (3) years a new background check shall be required pursuant to this chapter.

B. All individuals seeking to be employed by or volunteer for youth programs, wherein they will be working directly with youth, shall also be required to certify, on forms supplied by the Township, that his or her license and/or legal permission to practice, or be employed, in any professional field has never been revoked or suspended by any licensing agency and/or licensing board due to the individual's private

and/or professional misconduct arising out of sexual misconduct or related to intentional actions deemed to be harmful to the physical, psychological and/or emotional wellbeing of a person under the age of eighteen. A certification indicating such revocation or suspension and/or false certification declaring nonexistence of the same shall both be grounds to disqualify a person from volunteering with or being employed by youth-related activities. Such certification shall need to be supplied every time a new background check is conducted pursuant to this chapter.

C. All individuals employed by or volunteering for youth programs pursuant to this chapter have a continuing obligation to self-report, to their youth programs and the Delran Township Police Department, any and all arrests, crimes and violations contained in section 84-6 and non-criminal sanctions described in this section 84-3. Individuals who self-report that they have been arrested for crimes and violations contained in section 84-6 and individuals who self-report that they have been notified of administrative proceedings for potential non-criminal sanctions described in this section 84-3 shall be temporarily suspended from participating in any capacity in any function for persons under the age of eighteen (18) years held at any township-owned facilities until final adjudication and/or resolution of said arrest or administrative proceeding.

D. The cost of background checks for individuals not participating in a township-sponsored program shall be borne by the individual or program with which they are participating. The cost of background checks for individuals participating in Township-sponsored youth programs shall be borne by the Township.

E. Individuals involved in township sponsored youth programs who are required to undergo background checks shall be given an interim approval for

participation only after submission to a background check pursuant to this chapter. Interim approvals shall only be valid for the period of time that it takes to receive background checks results. Such interim approval shall not be valid for a period of time exceeding thirty (30) days. Only one (1) interim approval may be granted per individual. All individuals seeking an interim approval shall provide a valid photo driver's license or other acceptable photo identification to the Delran Township Police Department for a temporary identification badge and sign a pre-approved form attesting that the individual shall comply with the chapter requirements and that to the individual's knowledge, he or she will be qualified to pass the criminal background check and certify that their legal permission to practice, or be employed, in any professional field has never been revoked for reasons outlined in paragraph B of this section.

**§ 84-4. Youth program obligations.**

A. All youth program officers or leaders are required to make all reasonable efforts to comply with the requirements of this chapter. It is the responsibility of the youth programs to coordinate with the Delran Township Chief of Police to ensure that annual background checks are being administered in compliance with this chapter. The youth programs, through a designated officer or leader, shall maintain records including the names of all employees and volunteers and the date of their last background check and shall file an annual roster, on forms supplied by the Township, of employees and volunteers that are required to participate in the background check procedures of this chapter. The youth program officers and/or leaders shall sign the roster certifying the accuracy and completeness of the roster and employees' and volunteers' names.

B. In the event that the youth program already has a background check policy and procedure in place, the Township will accept the results from the administration of that policy, provided the policy and results are disclosed to the Township and the Township is satisfied that the policy and procedures are sufficient to satisfy the standards and purpose of this chapter.

**§ 84-5. Qualification; display of cards.**

Employee or volunteers deemed to have passed the background check shall be issued identification cards with appropriate expirations based upon the date of their individual background check. Individuals issued identification cards are required to display their card while in performance of their duty involving youth programs.

**§ 84-6. Disqualification.**

A. Upon receipt of a completed background check, the Delran Township Police Department shall notify the applicant and the president or leader of the program of affirmative or negative results. The determination of the State Police and/or Federal Bureau of Investigation shall be based upon Section 84-6.B of this chapter. Details in the background check that result in a negative determination shall not be disclosed to the Delran Township Administrator or any other Township official or employee and are only available to the applicant upon making a formal request to the State Bureau of Investigation, except in those instances where an individual requests an appeal pursuant to Section 84-7 of this chapter.

B. In the event the criminal background check reveals any prior convictions for crimes or offenses which negatively impact the health, safety and welfare of children,

said person shall not be qualified to participate in any capacity in any function for persons under the age of eighteen (18) years held at any township-owned facilities. Such offenses shall include, but not be limited to:

(1) In New Jersey, any crime or disorderly persons offense:

(a) Involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S. 2C:11-1 et seq., N.J.S. 2C:12-1 et seq., N.J.S. 2C:13-1 et seq., N.J.S. 2C:14-1 et seq. or N.J.S. 2C:15-1 et seq.;

(b) Against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S. 2C:24-1 et seq.;

(c) Involving theft as set forth in Chapter 20 of Title 2C of the New Jersey Statutes;

(d) Involving any controlled dangerous substance or controlled dangerous substance analog as set forth in Chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S. 2C:35-10.

(2) In any other state or jurisdiction, conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in Subsection B(1)(a) of this section.

C. The list of crimes and violations contained in this section is for illustrative purposes only and shall not be construed as a limitation on those criminal activities or violations that would be grounds to disqualify a person from assisting with youth-related activities as indicated herein depending on the nature and type of offense committed.

D. In the event the criminal background check reveals an arrest record for crimes or offenses identified in Paragraphs B and C of this section, said person shall be

temporarily disqualified from participating in any capacity in any function for persons under the age of eighteen (18) years held at any township-owned facilities until final adjudication and/or resolution of the arrest(s).

E. In the event that an individual provides false information on a certification required in Subsection 84-3B, said person shall not be qualified to participate in any capacity in any function for persons under the age of eighteen (18) years held at any township-owned facilities.

F. In the event it comes to the Township's attention that administrative proceedings have been initiated against an individual for potential non-criminal sanctions based on violations outlined in Section 84-3B, said person shall be temporarily disqualified from participating in any capacity in any function for persons under the age of eighteen (18) years held at any township-owned facilities until final adjudication and/or resolution of the administrative proceedings.

G. Refusal by individuals required to submit to background checks will result in an immediate dismissal of the individual from any township-sponsored activities requiring background checks. In addition, refusal to comply with this chapter by any individual falling within the scope of requirements for non-sponsored youth programs will forfeit that individual's ability to participate with the respective program.

**§ 84-7. Appeal procedure.**

A. Any individual who is disqualified under this Chapter may appeal his or her disqualification as follows:

(1) An individual may challenge the accuracy of the background check and/or other information in the Township's possession affecting an individual's qualification;

(2) A person may claim to be rehabilitated to the extent that it should permit qualification.

(3) No individual may appeal a disqualification on the grounds of rehabilitation, if the individual has been disqualified because that individual has been convicted, adjudicated delinquent or acquitted by reason of insanity of the offenses enumerated in Section 84-6B. and C. of this chapter.

B. A challenge to the accuracy of the background check or other information in the Township's possession affecting an individual's qualification shall be filed with the Delran Township Chief of Police, and the individual shall bear the burden of rebutting the accuracy of the report or information with evidence deemed to be satisfactory at the sole discretion of the Chief of Police.

C. An appeal based on rehabilitation shall be made to an Appeals Board which shall consist of the Chairperson of the Recreation Advisory Committee, the Delran Township Chief of Police, and the Delran Township Administrator. Any such appeal must be made within thirty (30) days of receipt of the notice of disqualification and filed in writing with the Delran Township Chief of Police in an envelope marked confidential.

D. In determining whether a person has affirmatively demonstrated rehabilitation, the Appeals Board shall consider the following factors:

(1) The nature and responsibility of the position which the individual would hold if approved.

(2) The nature and responsibility of any previous similar positions held related to youth activities and youth sports activities.

(3) The nature and seriousness of the offense or non-criminal violation.

(4) The circumstances under which the offense or non-criminal violation occurred.

(5) The date of the offense or non-criminal violation.

(6) The age of the person when the offense or non-criminal violation was committed.

(7) Whether the offense or non-criminal violation was an isolated or repeated incident.

(8) Any other evidence considered relative concerning rehabilitation including community service or the recommendation of those who have had the individual under their supervision or who have a work or community history with the individual.

E. If the Appeals Board determines that the disqualified individual has been successfully rehabilitated, it shall enter that individual's name on the list of qualified individuals maintained by the Township Administrator. If the Appeals Board denies the appeal, it shall advise the individual in writing. All appeals and information relating to an appeal shall remain confidential.

**§ 84-8. Privacy.**

Any and all criminal background checks obtained from the State Bureau of Identification in the New Jersey State Police or the Federal Bureau of Investigation shall be filed and maintained in a secured and locked cabinet or room at the Delran Police

Department Records Bureau in the Criminal Investigation Division Building which shall take custody and maintain such records which shall not be available to the public. The Delran Township Police Department personnel in the Records Bureau shall take appropriate steps to safeguard such records. The records shall be exempt from public disclosure under the common law, the Open Public Records Act and the New Jersey Right to Know Law. In addition, the Delran Township Administrator shall not reveal the affirmative or negative response from the State Police based upon the findings of the background check except as provided in this chapter. No Delran Township official or employee shall have access to the criminal background checks other than individuals in the Delran Township Police Department Records Bureau whose only access shall be to take custody and maintain the files as provided for in this section. The records shall only be retained for such period of time as is necessary to serve their intended and authorized purpose.
