APPLICATIONS ARE AVAILABLE FOR PICKUP AT THE MUNICIPAL BUILDING, 900 CHESTER AVENUE. PREFERENCE WILL BE GIVEN TO DELRAN RESIDENTS. FOR ADDITIONAL INFORMATION CONTACT THE BUSINESS ADMINISTRATOR'S OFFICE AT (856) 461-7734 EXT. 113 OR GO TO WWW.DELRAN.TOWNSHIP.ORG FOR FURTHER DETAILS. DELRAN TOWNSHIP IS AN EQUAL OPPORTUNITY EMPLOYER.

Under supervision, the employee must be able to perform various types of manual labor, have the ability to operate a truck in connection with daily tasks and be able to perform other related duties as required. The examples of work for this title are for illustrative purposes only. Duties: Employee will be trained in tasks related to the operation of mechanical equipment at the sewage treatment plant or collection system, such as; operation of various machines, pumps, valves and other equipment, the reading of gages and how to conduct standardized tests. Other duties include: maintaining sewer department properties; grass cutting, pulling weeds and snow removal. Employee will assist co-workers responsible for mechanical work. This position uses equipment directly related to the wastewater treatment plant. Qualifications: Candidate must be able to read, write, speak, understand and communicate in English sufficiently to perform the duties of this position. Candidate must possess a valid driver's license in good standing and possess a commercial driver's license (CDL) class B with tanker endorsement or obtain one before the expiration of one (1) year of employment. Applicants must agree and diligently work to obtain an NJDEP (S-1 or C-1) Wastewater license or greater.
